TECHNICAL DATA

Genset Model	Unit	WP-20TA	WP-25TA	WP-30TA	WP-35TA	WP-40TA	WP-50TA	WP-62.5TA	WP-82.5TA	WP-100TA	WP-125TA
Genset Rating	kVA	20	25	30	35	40	50	62.5	82.5	100	125
Electrical Output	kWe	16	20	24	28	32	40	50	66	80	100
Engine Model	Tata Motors	Engine									
Rated Gross Power	kWm	497SP									
		30	30	36	42	47	56.5	67	81.5	93.5	115
Displacement	BHP	40	40	48	56	63	76	90	109	125	155
		2.96	2.96	2.96	2.96	3.8	3.8	3.8	5.7	5.7	5.7
Frequency	Hz (RPM)	50 (1500)	50 (1500)	50 (1500)	50 (1500)	50 (1500)	50 (1500)	50 (1500)	50 (1500)	50 (1500)	50 (1500)
Engine Type		4 Cyl, Inline, Direct Injection, Water cooled									
Type of Governor	M/E	Mechanical									
Nature of Aspiration	NA/TCl/TCI	TCI - Turbo Charged Intercooler									
Service Intervals		500 hours or 6 months									
Alternator Make	Brand	Stamford or Crompton Greaves or Mecc Alte or Leroy Somer or Whispower									
Alternator Type		Self-Regulated, Brushless at 415V, 50hz at 0.8 PF									
Panel	Type	Control Panel									
Breakers	Make	Start/Stop Panel or Standard Control Panel or Auto Mains Failure (AMF) or Synchronisation Panel									
Controller	Make	ASEA Brown Boveri (ABB) or Larsen & Toubro (L&T) or Schneider DeepSea Electronics									
Paint	Quality	Acoustic Enclosure									
Sheets	Type	Cleaned & Treated, Powder Coated and Laminated with Polyurethane (PU) Paint									
Design		1.4-1.6 mm thick Galvanized Iron/CRCA sheets									
Genset Dimension	LxWxH(mm)	Compact Set, Flat Top with Silencer Inside									
Fuel Tank Capacity	Litres	60	60	60	60	70	80	100	160	160	200

With over 3 decades of experience, Whispower generators have evolved into a leading manufacturer of diesel generators in India. The company, prides itself with a state of art facility and a large team comprising of experienced engineers & technicians.

Being an exclusive OEM (Original Equipment Manufacturer) for most of the premium brands in Kerala, Whispower provides a remarkable job in serving your requirements, with the best possible value. We offer a complete power solution, be it DG sets, panels, spare parts, after sales support & many more.
